## Booking an Appointment for UIP Vaccination of Children and Pregnant women

Let us take the example of booking appointment for vaccination for an infant we registered in the previous section

1. **Select the beneficiary** for whom the appointment is to be booked from the Member details section of the dashboard and **click on Book Appointment button** on right side of page

The screenshot shows the dashboard for the Ministry of Health and Family Welfare. The user is logged in as M Hari Krishna. The dashboard displays member details for Baby Of Jyothi, an infant, with a REF ID of 29623935767830 and a date of birth of 09-Aug-2023. A calendar for April 2024 is shown, with the 16th highlighted. A 'Book Appointment' button is visible on the right side of the dashboard.

2. A screen to book appointment for Routine Vaccination will open. There is an option to search for the published UIP Vaccination sessions by **State, District, Sub-District**. Select the State and District from the drop-down menu where you desire to get the infant vaccinated and **click on the Search button**.

The screenshot shows the 'Book Appointment for Routine Vaccination' screen. The user can search for vaccination sessions by State, District, and Sub-district. The search options are: Select Your State, Select Your District, and Select Your Sub-district. A 'Search' button is available to initiate the search.

- All the UIP Vaccination session sites will be visible in the list with complete address details. Also each session site will be tagged as Free for Govt sites and Paid for Private sites. Dates of one week will be visible and for further weeks you can navigate through front or back navigation arrows
